

## **The Contract**    **The Hangman**

Motho ke Motho  
ka Batho

Dam sad, sad mad,  
mad sad, sad dam

I am  
because we are  
and  
because we are  
you are.

When the trap opened  
he fell  
he didn't die  
he handed me his monster  
became a martyr  
at my hands  
and I fell.

And I  
am responsible for you;  
Keeper  
of your happiness  
of your well-being  
Your Rights.  
to rise again  
And you  
are responsible for me;  
Keeper  
of my happiness  
of my well-being  
My Rights.

Now I grovel  
in his cell  
in the ground  
biding my time

and make the time  
a time to kill  
again and again  
Thou shalt.

my rights in your hands  
your rights in my hands  
held in Trust  
because we are,  
I am and you are,  
Human.

## **That Moment**

let's leave it there  
in the past  
that moment  
let it remain  
an island of bliss
